

## Newsletter December 2025

The end of the season has begun, with a very successful month of November as the perfect finale.

On 8 and 9 November, we organised the very first **“Snipe Discovery Weekend.”** The goal? To make stepping into a Snipe as accessible as possible.

We got no fewer than 11 boats on the water. On Saturday morning, Sam and Mathias gave an on-shore briefing, as the wind had yet to arrive. Around noon, everyone enjoyed a homemade lunch, and in the afternoon we were treated to a Snipe-only start during the Ijsberen Race—thanks to Marc Cornelissen. On Sunday 9 November, these boats joined the **“Antwerpse Handjes”** regatta. An ideal opportunity to put into practice what they had learned on Saturday. Many juniors on the podium... yes, you too, Wim and Anneke

Plenty of happy faces, and we now have three junior teams eager to prepare and register for the Junior Worlds in Melilla from 22 to 26 July. #prettyimpressive

A big thank-you to Sam, Mathias and Marc for their efforts, and to everyone who lent out their boat. We're definitely doing this again. It works!

On Sunday 16 November, another “cookie race” was sailed: the **Philip's Biscuits Speculaas Race**. With 20 boats on the starting line, we were the best-represented class on the water, once again with many juniors on the list of participants. It was an exciting battle, but Manu claimed the biggest cookie, together with crew Aron Kerre.

### What's next?

I hope to see many of you at our **annual meeting on Saturday 13 December**. We will begin at 5:30 pm sharp.

Please register [here](#) by 7 December at the latest.

### FAQ:

- How do I pay? On site.
- Do I have to join the dinner after the meeting? No obligations.

– Will we receive more information about the agenda? Yes, by 7 December at the latest.

**As always: a question? An idea? A concern? Just give me a call.**
